A Michigan Congressman Declares that Ferry Will Have a Walkover for the Senate.

Washington Special to Chicago Herald. A Michigan Congressman, who is resented in the list, some of the most though I am opposed to the re election vania, of course, is prolific in this of Ferry to the United States Senate, respect, and in most of the Southern Washington, December 2—For defeated. The Republicans will have the West Gulf States, fair weather, followed by increasing cloudiness and one in caucus will nominate and six ylocal rains, winds shifting to northerly, stationary or lower temperature and generally higher pressure. For Tennessee and the Ohio valley, increasing cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. h votes to make any cloudiness and light rain or secure eno. can secure eno h votes to make any flective opposition to Ferry. The ous uses to which iron is put points to only chance he has is to secure four the fact that the supply must needs be west, and higher pressure. For the lower lake region, cloudy weather with rain turning into snow, winds shifting to much colder northwesterly.

Suly chance he has is to secure four the saccus nomine; immense to meet the demand. All but I doubt it Hubbell has fourteen our ships of war and ocean steamers votes in the State. He is as dead a politician as Schuyler Colfax. There are now constructed of iron; many politician as Schuyler Colfax. There are now constructed of iron; many large warehouses are almost wholly are five or six candidates in the field. If all the hones of the turkeys that met and higher pressure. For the Mis- and, if any one possessed any real list of mechanical, agricultural and strength, Ferry would have a hard household articles only hewilder the time in pulling through. He will owe his re election entirely to the unpopu quantity. We need only add that in larity of Hubbell and the small bore the bowels of the land in our country politicians who are trying to beat lie embedded enough of the ore for him." every conceivable demand of the
